The true cost of hiring an employee can be much higher (about 1.25 to 1.4 of their base salary). By contracting our services, you'll avoid these extra costs, saving your company money in the long run, while making a positive impact on society and demonstrating your commitment to diversity, equity, and inclusion. **It's a Win-win for all of us.**

The group is composed of one Job Coach and three reliable and hard-working individuals with intellectual disability.

Our groups excel at custodial work, landscaping, packaging and assembly, dish washing, warehousing, retail work. We currently contract workers with City of Riverside, La Sierra University, Anchos, Teledyne, Amerisource, Wilden Pump and more.
